TABLE OF CONTENTS

COURSE OBJECTIVES:

1. Nailing Your Self-Intro – So you don't start with "Uh... so... yeah..."
2. Body Language Boss Mode – Even if inside you're screaming like a Wi-Fi router on 1% battery.
3. The "Tell Me About Yourself" Hack – Without reading out your CV like an audiobook.
4. STAR Method Magic – Turning your random life stories into interview-winning answers.
5. HR's Favourite Questions – And how to answer them without sounding like ChatGPT. 🙄
6. Technical Round Survival Kit – Explaining your skills without speaking in alien.
7. "What's Your Weakness?" Ninja Move – Owning it without self-destructing.
8. Reverse UNO Card – Smart questions you can throw at the interviewer.
9. Dress Code 101 – Because your "lucky T-shirt" from college fest won't cut it.
10. Mock Interviews – So the actual interview feels like Season 2 of a show you've already binge-watched.

Course Modules:
